Agricultural.

and the apple remain sound, while in another ics' Magazine. every bruise would turn into a soft rot and extend to the whole apple. Now why this difference? There must be some cause for it. That cause I wish to learn, and perhaps the question is already settled in the minds no time any accumulation.

they would become soft rot.

I am no believer in lun ir influences on pork, asleep .- Mrs. Sedgwick. beef or cabbage, but I have been led to pen ence, some year or more ago, viz: that a people run great risks in eating crabs at this bruise made upon an apple at a certain time season of the year. Nobody thinks of the in the moon would dry up and not rot. The risk the crabs run. remark was second or third hand, and my informant could not tell what time in the moon it was best to gather apples.

Whatever may be the cause of one apple, or one barrel of apples, bruised or not bruised, keeping better than another, the subject is worth attention .- Cor. N. E. Farmer.

ONE BARN TO A FARM.—Some farmers err in having too many barns scattered about best, should not only be housed in Winter, but should be fed thrice daily, and at regular but should be fed thrice daily, and at regular hours. Much of the fedder is wasted if they are fed at long intervals. If fed at irregular receive, examine and adjust all claims and demands of all persons against the estate of Reulen C Benton, atte of Shawls.

Country of the claims hours they suffer from hunger, and become impatient. To lay on flesh or fat kindly, they should be kept quiet in the intervals of foddering. If these ends are to be sought, all the stock should have room in the home barn, and should be under the eye of the owner every day.

Pickling Ecgs.—As our readers will un-PICKLING EGGS.—As our readers will understand by this time, we advocate the plan of keeping fowls in such a manner that they will produce fresh eggs the year round. This they will do in the coldest weather, if kept in the possibility of the purpose of the pur be devoured greedily by them. Milk curd button of said estate.

COMMENCING Oct. 15, 1857.

IRA DRESSER, being determined to close up his St. Johnsbury Store, will offer his entire Stock at cost for each, for the next sixty days. The stock comprises ev-

FALL AND WINTER GOODS believing that a "sure sixpence is better than a For Gents wearing apparel. Most of the Clothing has been bought within the last two months, and cashed at a large discount, so that this sale will give the Public a chance to buy goods at one-half the usual prices. This is no humbug, as you will see

by the list of prices: from \$4 to \$10, former prices from \$6,50 to \$15 Overcoats Fine Dress Frocks 6,50 " 11, " 8.75 " 14 Common Black " 5,50 ** 7,50 3,50 " 6. Business Coats 2.25 . 7.50 4.00 * 10 Green Jackets 1.50 " 1.75 " 1.75 " 2.25 Bl'k Doeskin Pants 4.00 * 5.25 5.00 ** Union Bl'k Cassimeres " 2.25 " 3,00 " 2.87 * 3.50 3,50 * 4.75 * Fancy Doeskin Pants " 4.50 . 6 Common " " " 1.50 " 3.00 2.25 " 3,62 Overalls " " " .50 ... Vests of all kinds .7.7 " 6,00 1.25 . 7.50 Black Silk Hats, 2.50 " 3.00 3.50 " 4.00 Nice Kossuth " 2.00 " 2.50 2.75 " 3,50 Wool .75 - 1.12 Cloth Caps 1.25

With the above named goods we have a large stock of Cloths for sale by the yard at Cost, or made into Garments at a fair price.

FURNISHING GOODS. Our Undershirts and Drawers were bought at a ferced sale, and our selling them at cost brings them down to less than the actual value. Other Goods not mentioned, will be sold at the same ratio, at Cost, and those customers who wish to save \$6,00 or \$8,00 in buying a suit of clothes, if they will call at the New Store opposite the Post Onice, St. Johnsbury Plain, they will be convinced that the above statement is true. Come one, come all, and get your outfit for cold
